Hearts With Hands™

Christmas Program

Each year Hearts With Hands™ identifies hundreds of local under privileged children that will not experience the “magic” of Christmas morning unless you help. You can provide Christmas and share your blessings by sponsoring a child or children. If you would like Hearts With Hands™ to shop for you, the suggested donation is \$75 per child.

Call Hearts With Hands™ today at (828) 667-1912, ask for Sandy, and provide a “Christmas from the Heart” for a local child.

purchase a wreath... help provide Christmas for a child!

Another way to help is by ordering a beautiful, handmade Christmas wreath or greenery arrangement from this brochure. Many of you have helped us in previous years. Each year, our Marketing Director, Debbie Mitchell and her army of volunteers make hundreds of these Christmas decorations to help support the Hearts With Hands™ “Christmas from the Heart” program.

Call Debbie at (828)779-4011 and order your Christmas Holiday decoration today. You will have a beautiful Christmas decoration while helping a child experience the “magic” of Christmas morning!

Merry Christmas!
